Fiscal Analysis

ASSUMPTIONS:

1. Current statute provides the Transition Advisory Committee on Electric Utility Industry Restructuring (TAC) is composed of 12 legislative members and 12 public members. The 12 legislative members are entitled to salary and expenses as provided in 5-2-302, MCA.
2. SB 67 would revise the TAC membership to include eight legislative members and four public members, and add oversight requirements. All 12 members would be entitled to receive salary and expenses.
3. Costs related to the additional oversight requirements will be absorbed within the current Legislative Services Division budget.
4. There are no anticipated cost increases or decreases related to the revision of committee membership.
5. Therefore, SB 67 will have no fiscal impact.
